SERMON SERIES

**From Here to There:
7 Biblical Insights on 7 Objectives**

Join us for a special sermon series from January 3– February 15 as we reflect on 7 Biblical insights that can inspire and guide us to fulfill our new 7 Objectives in the coming years.

In November, the Session approved a report by the Long Range Planning Committee which included our new Mission Statement and 7 Objectives we will tackle as we move towards our 175th anniversary in 2030. Below you will find “working documents” we will discuss in January with further input from the congregation.

House of Hope Mission Statement

Hope is more than a word in our name—it is why we were founded on Christmas Eve in 1855. Our inclusive and affirming community seeks to live out the word of God in our time. In the Presbyterian tradition we are Reformed, and yet always reforming. In this spirit we:

- Glorify God in our worship and seek to be faithful disciples of Jesus Christ by proclaiming the Gospel through preaching, prayer, and exceptional music;
- Engage in a holy curiosity which seeks through ongoing learning to apply the teachings of the Bible and to follow the example of Jesus in our daily lives;
- Offer fellowship to people both inside and outside the church, listening to and respecting perspectives other than our own;
- Celebrate the dynamic and perpetual re-creation of God’s world by nurturing a faithful expression of the arts from children’s programs to hosting established artists and fostering musical gifts;
- Create a welcoming spiritual home for people in all stages of life, from young families to singles, empty nesters to senior adults; and
- Advocate for the just treatment of all people by offering tangible assistance and striving for structural change in racial equity, housing and healthcare access, and environmental stewardship.

7 Objectives

1. Establish and implement a HOH Master/Site Plan that reflects our desire to be a hospitable and welcoming community.
2. Create and implement a HOH Master Financial Plan.
3. Develop and expand programs for children, youth, family, and adults.
4. Create dynamic new partnerships and programs to further our spiritual life through music, arts and adult education.
5. Update our governance system to be relevant to our current and future needs.
6. Take bold and courageous action to advance diversity, religious pluralism, social justice and environmental stewardship.
7. Capitalize on new technologies to engage prospective and current members.

Stewardship Update

As of December 16, we have received **192 pledges** and 9 out of 10 of these pledges included an increase or sustained giving. The average pledge

increase has been **9.5%**. We invite you to embrace this spirit of faithful generosity and to consider increasing your pledge 5% so we might allocate 5% of all pledges received specifically for Mission Outreach. This will be the first time in 17 years we will align a percentage of pledged dollars with the work of assisting those in need in our community, country, and world.

If you haven’t already, please return your pledge card or [pledge online through hohchurch.org](https://www.hohchurch.org/pledge).

Bash Update

Thank you to the over **150 donors** who contributed to our 2020 Bash! Presently, our gifts total **\$83,000**, 60% over our goal of \$50,000. Listed below are some of our Mission Outreach Partners who received grants from HOH to support hunger and homelessness efforts. We are excited to launch “The HUB,” a ministry where children, youth, and families build community and faith through education, service, and the arts!

Our logo draws upon a familiar symbol in the House of Hope Sanctuary. It is the spirit moving through our worship, ministries, and programs. Just as stained glass is illuminated when light shines through it, our ministries to children, youth, and families will shine brightly as the light of Christ brings to life our work together.

Kick off 2021 by joining the best children and youth ministry in the Twin Cities for programs like SUMMIT, in-person and virtual Choir School, and intergenerational winter gatherings!

Children and Family Ministries **Birth through Fifth Grade**

Faith formation utilizing storytelling, STEM activities, theatre, music, games, and community events build our faith community through play and creativity. We include opportunities for families to put faith into action through service projects and mission outreach.

Youth and Family Ministries **Grades 6–12**

We strive to equip youth with the skills needed to lead full and meaningful lives through service and learning. Our goal is to provide them with a place to explore issues of faith, morality, justice, and service. Our youth and families grow in faith and friendship through discipleship activities like SUMMIT and the Mess Hall, service projects, retreats, and mission trips.

Choir School

Under the direction of Choir School Director Sofia Ardalan, choristers learn to express themselves through music, sing high-quality repertoire, and grow in friendship and faith.
