

## Stewardship 2023 Responses:

### *What I love about this community and why I support House of Hope.*

House of Hope provides a place for personal spiritual renewal, fellowship with caring people, and support to those in the larger community who are often left behind.

I appreciate the unparalleled music; especially Aaron David Miller on the organ & piano & all the choirs & choir directors. Scott's inspirational sermons. Julia's beautiful prayers. The beautiful space. The friendly & welcoming worshipers. Live-streaming - so I never miss a service.

The House of Hope is a sacred place and a refuge. A place where we feel God's presence. I am grateful to the community and the work we do together outside the church.

This church has been my "anchor" my whole life. It is the place that gives me hope and peace.

Grateful for: This amazing place in which to worship; The community HOH offers; And the promise of the future.

Music, Friends, Outreach

Just entering the building is uplifting, and the HOH contributions to the world beyond the building are inspiring. This is a nourishing congregation.

We love the glorious music, the beautiful bells. We are proud of the social justice ministries - all one great - garden is beautiful!

I support this community!! I love the ministry of music. I love how Bible is presented in the sermons.

I like Sunday School. It's very fun!

The House of Hope has been an integral part of our lives for over 50 years. It has been 77 years since I was baptized at HOH. The place where we have gathered for 50+ years to consider life, to find grounding, to enjoy friends and fellowship.

House of Hope is home to me - a community where we support and inspire each other - and sometimes struggle together. Our building, music, preaching, and programs inspire me and lift me up. Our mission outreach is a witness to our faith and hope for the world.

Music here is how I have prayed for over 30 years - So very grateful.

I love how this church is so inclusive. All are definitely welcome!
