Serving Communion

- Please meet in the front of the sanctuary 30 minutes prior to the service to walk through the Sacrament as a team.
- You may sit anywhere in the sanctuary. When the time for serving Communion comes, the pastors leading the service will nod to those serving. Please come forward.
- Each team should have 6 servers. Four Elders will stand up front and serve the Sacrament; two in the middle will have the bread (and will wear gloves as they hand the bread to the congregant); two on the outside will have the wine. When serving the Sacrament to the congregation, the following words can be said:

For the Bread: *The bread of Heaven* or *The body of Christ*

For the wine (juice): *The blood of Christ* or *The cup of Heaven*

For both: *Peace be with you*

- Of the two Elders who are not in the front of the sanctuary, one will follow the Deacons through the sanctuary giving communion to those unable to come forward and to the team doing the livestream. The other Elder remains up front to refill elements for the four Elders serving.
- After the service, please help the Communion Guild bring the trays and baskets and other items from the Communion table to the sacristy kitchen for cleanup.

Please Note: when the choir is in the loft by the organ, they should have their own communion tray. One of the Elders serving that morning should check to confirm it is in place prior to the service starting.
